

Notice regarding *Annual Report 2016* print edition and PDFs downloaded before August 29, 2019

Tokyo Electron's Annual Report 2016 contained the following misprint. We apologize for this mistake, and have corrected it as shown below.

“Total net assets” for the year ended March 31, 2015, in the Consolidated Eleven-Year Summary (page 38 and 39 of the printed edition, page 21 of the PDF)

Before correction:

Total net assets ⁵	5,007,446	564,239	641,162
-------------------------------	-----------	---------	---------

After correction:

Total net assets ⁵	5,007,446	564,239	641,163
-------------------------------	-----------	---------	---------
